Review of subject matter for March 3 meeting with OGD and planning for possible paths forward. I don't anticipate that it will take the full hour.

Update: Invited Sheila and added conference line: **Conference line** Ex. 6 Personal Privacy (PP), **code** Ex. 6 Personal Privacy (PP)

The SharePoint site is unavailable right now to confirm the availability of the line, but it's not likely that it would be tied up on a Friday at that time. If you're calling in and you have trouble joining, please call me at x3198 and I'll find an alternative.
